Missions and Prayer

Missionary Updates

Did you know many of our Missionaries provide regular updates on their work overseas? Please check the foyer and Missions Board for the latest updates and prayer requests.

Bill and Janice Dyck

CBM Field Staff Bill and Janice Dyck have been serving in Bolivia for the past year and a half. They provide leadership formation training to local pastors and lay leaders. They also focus on the understanding and practice of integral mission – sharing God’s love through word and deed. Please pray for the Dycks as they seek to make connections within the community, as well as equip and mentor leaders. The Dycks request prayer for the following:

- Pray for us as we learn Spanish
- Pray for wisdom as we work with our partners, the Bolivian Baptist Union and OBADES
- Continue to pray for strength and our physical well-being

Widows in India

Please pray for widows in India who face marginalization and stigma within their communities. As a result, they often lack

the resources and support they need to earn a living. Through CBM’s work with local partners, widows are able to access training to start a small business. This alternative source of income helps to alleviate their poverty and empowers them to provide for their own needs. Please pray for the widows as they seek to improve their living conditions and better care for their children. Pray also that communities would embrace them and support their efforts to rebuild their lives. May each widow experience God’s peace, comfort and provision through the work of this ministry.
