Missions and Prayer

Peace, Favour and Provision for Lebanon

Father, we thank you that you are a sovereign God. We are grateful that you are in control of the political and economic situation in Lebanon. Resources are limited, small business have closed down and many have lost their jobs. We pray for your hand to be on this situation as you are our Great Provider.

In this time, let your people come to seek You even more. Help us share Your hope and light to those who are struggling because of the current situation. Lead the way for the Haddads and the whole Lebanon team, as well as local partners and churches, to explore new ways to engage those who do not know You. Help our Middle East Field Staff to act in faith as they carry out Your work.

About Elie and Mireille Haddad

Elie and Mireille Haddad serve with CBM in Lebanon as Team Leaders for the Middle East and North Africa region. They help the team reach organizational ends by directing, coaching and empowering CBM Field Staff and assisting our national partners. The Haddads' sphere of ministry expand both on the field and here in Canada, shaping the agenda for the future. Elie also serves as President of the Arab Baptist Theological Seminary (ABTS) in Beirut, Lebanon, which equips leaders for the church in the entire Arabic-speaking world.

2019 nCoV and Chinese Ministries in Germany

The 2019 nCoV has caused fear amongst the Chinese in Germany, who are reluctant to interact with strangers, thus creating a challenge for the Chinese Ministries Team. But You are a sovereign God who opens doors according to His will. We pray that in the midst of these challenges, the ministry in Germany will continue to yield harvest and continued spiritual growth and revival for the mission field.

This ministry in Germany belongs to You, Lord. Let it flourish. Move mountains that may serve as hurdles and strengthen the Yes and the rest of the Germany Field Staff, both physically and spiritually. Show them how to lean on and trust You more.

Lastly, may You keep and bless MuLing, the Yes' daughter, that she will grow in You. Please grant the Yes wisdom as they train up MuLing in the way that she should go.

About Yuanchuan Ye and Ming Gao

The Yes serve with CBM in Germany as part of the Chinese Ministries team. They work in partnership with a local organization, Forum for Mission to Chinese in Germany (FMCD). The CBM team in Germany works primarily among Chinese students, many of whom have never heard the gospel.

Please Note:

There are recent newsletters from our Missionary families available in the foyer.
